PRESIDENT'S MESSAGE:

Hello everyone! The meeting will be held at our headquarters, Timbuktu Restaurant located at 1726 Dorsey Road, Hanover, MD.. Well, hard to believe its 2018! I hope that you and your families enjoyed the Christmas season and look forward to the New Year.

Our presentation will be given by Peter Lemieux, Account Manager for Snap-on Industrial. Peter will go over the safe and proper use of torque wrenches, including different styles, pro's, cons and calibration standards. This is certainly a meeting for your shop people – You know - the ones that know everything, They may just learn something new, techniques or simply different procedures.

Remember the knowledge and connections here are still FREE!!!!

We will share the information from the Decembers Board of Directors meeting where the Board appointed the new officers for 2018. Please help me welcome to the Board of Directors this year, Mr. Doug Friedel, Mr. Jay Keller and Mr. Jeff Slebzak.

Look forward to seeing all of you on Tuesday evening!

Regards,
Ed Gestido

Bill discussed the ability of the organization to pay for the monthly meeting expenses is dependent upon the number of attendees at the meeting. In turn, this effects our ability to provide scholarships and donations to the existing programs we have donated of the last couple of years. We ask that every member bring a perspective member as a guest to the January meeting. Membership is what drives the organization.
